

Molholm Families,

In order to keep our students as healthy and safe as possible, we will not have classes in the school building next week, Monday 3/16 through Friday 3/20.

Beginning on Tuesday 3/17, through Friday 3/20, we will offer remote learning opportunities for your child.

Your child's teacher will connect with you via Dojo or Google Classroom so that your child can access assignments posted every day. Between the hours of 9:00-11:00 a.m. and 1:00-3:00 p.m., your child's teacher will be available to answer questions that you or your child submit via Dojo, Google Classroom, or school district email (an email list is attached to this message).

Teachers will need to take attendance Tuesday, 3/17 through Friday, 3/20. They will submit attendance during these days at 2:00 p.m. Student attendance is indicated by students being active via Dojo, Google Classroom, or email. If your teacher does not see any online activity by you or your child, the teacher will send you a Dojo message. If there is no proof of online activity by 2:00 p.m., your child will be marked absent.

Many of our students received paper materials that will be used to supplement their online learning.

Please know that teacher will only be available to support students and families during the above hours so that they can use the rest of their day planning their instruction.

Our other teachers will also provide activities and lessons, this includes Art, Music, and PE, as well as special education providers, ESL, and reading intervention.

**If your child was not at school on Friday, 3/13, you will need to pick up your child's technology and learning supplies on Monday, 3/16** between the hours of 8:00-12:00. If you definitely cannot make it to school between those hours, please call school on Monday morning and arrange alternate plans.

If you need **help signing up for Dojo**, visit this website: <https://www.classdojo.com/signup/>

The Molholm staff and I understand the emotional impact the Covid-19 situation can have on all of us. We will be okay and we will make it through this situation, as always. This remote learning plan will help our kids maintain a sense of routine and normalcy as we stick together during this unusual time.

Your child's teacher will be available to help with anything you might need between the hours of 9:00-11:00 and 1:00-3:00. But if there is anything I can do to help please reach out to me at 303-982-0878 or email me at: [andrew.schrant@jeffco.k12.co.us](mailto:andrew.schrant@jeffco.k12.co.us)

Thank you for all you do to make Molholm a special place and a loving community!

-Andy Schrant, Principal
